

ClarionHealth

Diabetic Supplies and Pen Needles for Clarion Health (HMO)

Clarion Health Medicare Advantage plans will only cover LifeScan, Inc. brand diabetic blood glucometers and blood glucose test strips for our members. To be covered for a \$0 copay, members must obtain these supplies from an in-network retail or mail-order pharmacy or Durable Medical Equipment supplier.

Covered diabetic blood glucometers and blood glucose test strips in 2020:

- ✓ LifeScan, Inc.: OneTouch Ultra and OneTouch Verio Glucometers and Test Strips

Meters	Test Strips
One Touch Ultra Mini	One Touch Ultra
One Touch Ultra 2	One Touch Verio
One Touch Verio	
One Touch Verio IQ	
One Touch Verio Sync	
One Touch Verio Flex	

Clarion Health will also only cover BD brand pen needles (e.g., BD Nano, BD Ultra-Fine, BD Ultra-Fine Micro, BD AutoShield Duo). Other brands of pen needles are not covered on the formulary.

Additionally, for continuous glucose monitors (CGMs), our plans will only cover **Freestyle Libre** and **Dexcom** products in 2020. To be covered for a \$0 copay, members must obtain these supplies from an in-network retail or mail-order pharmacy or Durable Medical Equipment supplier.

Blood glucometers, blood glucose test strips, or continuous glucose monitors (CGMs) other than these specified products are not covered. If you or your doctor or provider feel a non-covered product is medically necessary for your condition, you can request an exception to our covered diabetic supplies by contacting us via any of the below methods.
